Here's one with a few additional edits and notes. Thanks for preparing this.

I'm not sure when this interaction with the Hill will happen and so do not believe this has been scheduled yet.

Hi Dan / Marion,

Attached is the latest version of the aldicarb one-pager.

I got a few bullets from EFED on the eco picture that I added to the one-pager and I have incorporated comments from both of you. (There are a couple comments still outstanding that I don't have a solid answer for yet, but will try to see what I can find.)

Anyway, let me know what you need next.

Debra
